Dear Sir:

In response to a communication received from the Examiner dated March 30,

diskette which contains a computer readable form of the Sequence Listing for the above-  
identified application. Also enclosed is a duplicate hard copy of a Sequence Listing  
found on pages 73-85 of the application as originally filed.

The material on the enclosed diskette is identical in substance to the sequence listing appearing on pages 73-85 of the application as filed and as submitted herewith. The computer readable form of the Sequence Listing contained on the enclosed diskette is understood to comply with the requirements of §§ 1.821 and 1.825. No new matter has been added.

Respectfully submitted,
